REASONS

. FOR USING

Horsford's

PREPARATION.

First.-IT IS HEALTHFUL AND NUTRI-TIOUS. It contains within itself the highly nutritious and strength-giving phosphates which are tious and strength-giving phosphates which are via the Richmond, Fredericksburg and required by the system, the same that are found in meat, fish, corn, and wheat. Ordinary baking-powpast 6 o'clock the presidents of the various past 6 o'clock the past 6 o

meat, fish, corn, and wheat. Ordinary baking-power meat, ing prevents any loss of strength after the package isopen. All ordinary baking-powders lose strength after the package isopen. All ordinary baking-powders lose strength after the package isopen. All ordinary baking-powders lose strength at the hall will be called to Kumlehn, E. H. Chamberlayne, Thomas

Third,-IT IS PURE. The characteristic form of package obviates the necessity of reducing the strength, by the addition of starch or flour, in order to make it keep, as is customary in the manufac

Fourth.—IT IS RELIABLE and does not vary in quality. The high standing and character of the inventor (Professor E. N. Horsford, of Cambridge.) and the reputation of the manufacturers (the Rumford Chemical Works, of Providence, R. L.) is a guarantee that the goods will always be of uniform quality and as represented.

Fifth.-ITIS ECONOMICAL, as it is 75 per cent. stronger than the common baking-powders and 30 per cent. stronger than the best baking-powder

Sixth.-IT REQUIRES LESS SHORTENING, and is better than all other baking-powders. The bread, blacuit, &c., made with it are moist and Dying.

The colored man Thomas Diggs, a prisoner in the city jail, who was some time ago wounded by a shot from a pistol in the hands of a fellow-prisoner named Peyton Booker, was believed to be in a dying condition late last night. Commonwealth's Attorney Witt went down 20 the jail to take his deposition. Diggs has all along declared that he was accidentally wounded, and the facts thus far developed sustain that statement.

BUFFALO LITHIA WATER . SOLVENT OF STONE IN THE BLADDER-STONE OF THE TRIPLE PHOSPHATE OF AMMONIA AND MAGNE-

CASE OF MR. B ..... OF FULTON, KY., CASE OF MR. U.—, OF FULTON, KY...
STATED BY DR. JAMES SHELTON, RESIDING
NEAR THE BUFFALO LITHIA SPRINGS, VA.:
"The case of Mr. B.—, of Falton, Ky., a recent visitor at the Buthalo Lithia Springs, turnishes, I think, satisfactory evidence of the solcent power of the water of Spring No. 2 in certain
varieties of STONE IN THE BLADDER.
"He informed me that he had been for a number
of years subject to attacks from which he was occasionally relieved by the passage of STONE
some of them weighting as much as six grains. It
was evident that his general health was greatly
impaired. Several years previous to his visit to

of his general condition that by the avector incideal attendant he abandoned the use of the water.

"It subsequently proved, however, that its action had been most beneficial, as he enjoyed long afterwards humanity from these attacks. The protracted use of the water at the Springs was followed for some time by a free discharge of gual calculd, the quantity exceeding three ounces, which proved to be of the triple phosphate of ammonia and magnetial exercity.

"Before his departure this calculus discharge ceased, and he left the Springs apparently free from disease, and with his general health restored having especially gained largely in fiesh."
